

A non-profit breast cancer foundation supporting research in the Pacific NW, benefiting women everywhere.

Dear Community Member,

You can help in the fight against breast cancer by becoming a corporate sponsor to our 1st annual Pink Carpet Event, October 11, 2013, with all proceeds benefitting promising breast cancer research, locally.

The Pink Carpet Event is a semi-formal affair at the Olson Mansion in Maple Valley, hosted by Paul Silvi of KING 5 news, speakers from The Fred Hutchinson Cancer Research Center paired with elegant food and drink, the arts, dancing and both silent and live auctions. By becoming a sponsor to this event, your company will be a partner in building our community, enabling 100% of proceeds to go directly to the world class researchers that are vigilantly searching for a cure. Your partnership today means access to new opportunities tomorrow, reaching a large audience though extensive visibility with a focused multi-media campaign prior, during and after the event.
