

A non-profit breast cancer foundation supporting research in the Pacific NW, benefiting women everywhere.

**actually, we
CAN...**

Dear Corporate Citizen,

You can help in the fight against breast cancer by becoming a **corporate sponsor** to our second annual 5K Bra Dash, September 15, with all proceeds benefitting promising breast cancer research locally. Following the great success of the bra dash last year, which included over 800 participants, coverage from local TV and radio stations, recognition from the Seattle Seahawks Women's Association as charity of the year, and over \$30,000 raised at this event, we are counting on our local business partners to again join the cause in the following ways:

1. Make a corporate contribution: Please see the attached [donation form](#) for levels of contribution.
2. Take a leadership role: Form your own Wings of Karen 5K Bra Dash team within your company. Simply designate a Team Captain(s), [register](#), set a goal, recruit walkers, fundraise, and join us on September 15. Or you can also simply encourage your employees to register individually.

With sincere gratitude, we thank you for your dedication to the cause.

[Wings of Karen](#) is a non-profit breast cancer foundation supporting research in Pacific Northwest. In its second year, Wings of Karen is proud to support the breast cancer research and clinical program of the Seattle Cancer Care Alliance, a powerful collaboration between UW Medicine and Fred Hutchinson Cancer Research Center.

Please follow us on the web at www.wingsofkaren.org, [facebook](#), and on twitter.
